## **Brit Kehillah - A Community Covenant**

In order for all students to have the benefit of a nurturing, educational environment, the Steinmetz Family School of Chai has instituted this Brit Kehillah. All students will be required to sign this contract in order for them to attend religious school. We hope that you will go over this covenant with your child prior to having them sign it, to ensure a proper understanding of the agreement below:

1. I will attend and participate fully in the entire program, unless otherwise agreed upon by the Director of Education. I will arrive on time, be prepared with all my materials, stay until the end, and remain in the program and on the premises at all times. If I need to leave early, I will bring a note from my parent or guardian and my parent will properly sign me out through the school office.
2. I understand that vandalism, disrupting the class, or other inappropriate behavior as determined by any teacher or member of the administrative staff will not be tolerated. I understand that I or my family will pay for any damage to school property that I cause. I further understand that any such vandalism or inappropriate behavior could result in my suspension or expulsion.
3. I understand that visitors must be approved in writing by the Director of Education in advance of the visit.
4. I will abide by the attendance policy as stated in the Parent's Handbook and understand that failure to abide by this policy may result with me being held back the following year.
5. I will not participate in any behavior which may be considered "bullying." Bullying is a particularly dangerous form of behavior which leads to both physical and mental distress.
6. I will act in a respectful manner to all teachers, administrators, peers, and myself. This includes following all classroom conduct rules set forth by my teacher in order to maintain a healthy learning environment.
7. I understand that I represent myself, my family, and the Congregation of Reform Judaism at all times.

I further understand that failure to abide by the rules above will result in disciplinary action by the Director of Education which may include additional assignments, working on school beautification projects, being sent home from school, suspension, or even expulsion.

Participant Signature \_\_\_\_\_ Date \_\_\_\_\_

I understand that if my child breaks any of the rules stated above, I will be responsible for paying for any damage (in the case of vandalism) and if asked to, will pick up my child from the youth activity immediately. By signing this form, I hereby authorize the use of disciplinary action by the Director of Education and will abide by the rules set forth above.
